

BEREAN BIBLE STUDY FOR MAY.

—(SEE PREFACE OF WATCH TOWER BIBLE)—  
EVIL SPEAKING AND EVIL SURMISING

(Following each question are texts of Scripture in reply, then references to page numbers of Dawn and Watch Tower giving comments; the first six letters of the alphabet represent the respective Dawn volumes, and the Towers are designated by the letter 'Z' and the year [1879-1916]. The mark ¶ refers to paragraph in article containing comment. The letter 'R' represents the Reprints article reference, and the page number follows the colon.)

¶ It is suggested that leaders of Berean Classes endeavour to hold the discussion of each question to its legitimate domain. Otherwise later questions will have been found partially discussed yet not thoroughly digested and much less satisfactory.

The leader should STUDY the entire lesson and each member of the class should STUDY the portion or question assigned to him or her, if the largest possible good would be derived. The DAWNS and booklets and TOWERS cited should be at hand, and so marked as to be readily referred to without a moment's delay. The DAWNS are referred to by the first six letters of the alphabet, the booklets by initial letters and the WATCH TOWER by Z.
