

“That the trial of your faith is much more precious than gold that perisheth though it be tried with fire : that it might be found unto praise, honour and glory at the appearing of Jesus Christ.”  
—1 Peter 1 : 7.

## It is your faith

that is on trial now. In the calmer days when the Sun of Favour shone brightly upon you, you were quietly laying the foundation of TRUTH and rearing the superstructure of Christian character.

Now you are in the furnace to be proved !

Summon therefore all your courage !

Fortify your patience !

Nerve yourself to endurance !

and hold fast to your hope.

Call to mind the precious promises—

they are still yours,

And cast not away your confidence

which hath great recompense of reward.

In quietness and confidence

shall be your strength.

Rest in the Lord and wait

patiently for Him and faith has

gained her victory—
