

THE POLITICAL OUTLOOK.

Dissatisfaction and unrest tell the story of the entire civilized world. The growth of intelligence is making the world more unhappy daily, because selfishness is the basis or principle upon which every fresh degree of enlightenment must be erected; for the world knows not of the other basis, upon which the new nature builds, the basis of Love. Consequently, intelligence makes possible gigantic Trusts, Pools and swindling schemes on the part of many who occupy places of power; and the same intelligence permits those less favorably circumstanced to detect the frauds, to see their own comparative disadvantage so far as a rapid or fraudulent accumulation of wealth is concerned. Hence the gradual unrest. None but real saints of God know what full rest there is in Christ—the result of having the Christ-basis—Love for God and men—substituted for selfishness.
