

## The seven creative Days, or Epochs.

**B**IBLE students are to-day following a line of thought according to which each of the Creative Days represents a period of 7000 years. Seven times seven thousand years would be 49,000 years, after which a Great Jubilee Period is to be expected.

It is claimed that, according to the Bible chronology, six thousand years from Adam have already passed. If so, the thousand years of Messiah's Reign, which is to close the great Seventh Epoch-Day is near at hand.

According to this beautiful theory, the work of Messiah in his thousand-year Reign soon to begin will complete the Creation. Not only will the race be brought to human perfection, but incidentally man will have obtained the needed experience in respect to good and evil. Meantime, also, the Earth will be gradually coming to a state of perfection — Paradise restored world-wide. Both human perfection and the perfection of the Earth were fittingly represented in Eden, when Adam was in his Maker's image — a King.
